I. VISION STATEMENT & PHILOSOPHY

Vision Statement

St. Anthony Cathedral Basilica School will be a living example of Catholic identity manifested through academic excellence, community service and social justice, maintaining strong parent involvement and the warm, family-like atmosphere that is characteristic of our culturally diverse school.

St. Anthony Cathedral Basilica School students will be better people for having had a Catholic education in a Christ-centered environment and will make a positive difference in the world.

Philosophy

It is the belief of the entire St. Anthony Cathedral Basilica School Community that its primary purpose is to educate the whole child – spiritually, academically, socially, and physically in a Christ-centered environment. The faculty and staff at St. Anthony encourage every student to become committed to Gospel values, obtain lifelong learning skills, and understand the strengths of their own heritage while experiencing the richness of other cultures and nations. Students gain skill and knowledge that will prepare them for a successful future in a global society, as well as a passion for community service and social justice.

Students at St. Anthony are embraced for their uniqueness and for the diversity they create as a student body. As a Catholic family, our students learn the teachings of Jesus Christ, that each individual is created for a purpose within the family of Christ, that each is a free person who must discern right from wrong, and that each is called to help the proliferation of justice among all God's people.

As educators, the staff at St. Anthony pursues with passion the fulfillment of their calling to teach each student in traditional studies and in the joy of living a life committed to Christ.

Homework

Formal home study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons and to supplement and enrich class work. Homework is based on material that has been previously presented. Homework is to be corrected by the teacher or by the teacher and students together. Whether or not a number or letter grade is assigned to the homework is decided by the teacher. The teacher must record the assignment in the grade book or a homework log so that accurate records can be maintained. The purpose of homework is to provide practice to students over concepts previously taught, and to let the teacher know if students are practicing correctly and gaining the necessary skills. **The time required for homework will gradually increase as the child advances through school. Parents are expected to foster good study habits and provide a quiet workplace for students.**

Parents may call the school office at 832-3486 ext.110 to inquire about homework assignments. Assignments for students who have been absent may be picked up in the office between 3:00pm

and 3:30pm. Assignment books are provided for students in grades 4-8. The cost for an additional assignment book is \$5.00.

Tutorials

Most teachers offer tutorials in the afternoon for students who are struggling or in need of additional assistance, or need to complete assignments. Please check with your child's teacher for the schedule. This is a free service and is provided on a voluntary basis through the generosity of dedicated teachers.

Parent Plus Portal

Parent Plus Portal is an interactive web portal that enables school administrators and teachers to instantly share data and engage with parents and students in a secure environment. Parents are able to receive grades as teachers input them in to the gradebook. Parent Plus Portals are used as the most up to date way to keep up with your child's grades.

Grades will be posted on a weekly basis.

Internet Acceptable Use Policy

SACBS encourages the use of advanced technology afforded by Internet access. Parents and guardians of minors are responsible for teaching the standards that children should follow when using the Internet. The school reinforces those standards. At school students are instructed to:

- Obtain parental permission for Internet access (form must be on file with media teacher)
- Be responsible for one's own behavior and practice appropriate etiquette. All rules of conduct in the handbook apply.
- Use technology only to support educational and/or research consistent with the objectives of the school.
- Use resources only as intended following the rules appropriate for network.
- Never transmit any material in violation of federal or state regulation including copyrighted, threatening, obscene or protected material. (Students in violation may be subject to legal action.)
- Never use technology for commercial activities, product advertisement, political lobbying, or non-academic activities.
- Never save research or other information to hard drive. All needed information is to be saved on a disk.

Use of the Internet is a privilege, not a right, and inappropriate use will result in cancellation of those privileges. School officials may review files and communications to maintain system integrity and ensure responsible use. Decisions of school officials regarding unacceptable use are final.

Grading

The academic success of each student requires constant communication between parent and teacher. Please review all graded papers.

Grade Weighting Policy for Middle School

Tests, Major Projects 40%

Daily, Homework, Quizzes 60%

If grades are being weighted using the 60/40 percent guideline, a minimum of 3 test grades in a nine-week period must be recorded in all core subjects that meet five days a week. Projects can be used as test grades. Major tests must be announced several days in advance of the testing date. A formal review for the test must be held. Students should have a clear understanding of what is to be tested and have the necessary materials to study from. A study guide may be provided.

Use of Zero Policy

Zeros will be recorded for work not done. The deadline date for late work is one week from the day the grade is posted. Grade reduction penalties will be applied. If work is not received by the deadline date, a zero will be recorded.

Other

Grades in Spanish will be recorded as E, S, N, and U in grades 1-5. Grades in Spanish will be recorded numerically in grades 6-8.

Grades in art, music, handwriting, and P.E. will be recorded as E, S, N, and U. Minus or plus may be used with S. Only a grade of N or U will affect honor roll.

Grading Scale

Special Needs, Diocesan Vision Statement

The Diocese of Beaumont promotes a model of inclusion for children with mild learning disabilities/ differences in our schools. We believe that children with mild learning differences can be successful within the regular classroom setting when strategic teaching methods are utilized and appropriate planning are implemented. This philosophy is based on the understanding that parents are active partners with the school and play a critical role in their child's success.

Unlike the public school system, Catholic schools do not receive state and federal monies to fund special education programs. Therefore, we do not write or accept Individualized Education Plans as public schools are mandated to do. A plan may be written at each school for those students who are experiencing learning or behavioral differences. Each school will designate the proper personnel to collaborate on this plan with the parents. The plan's content is dependent on each school's ability to make **reasonable** accommodations to assist a student or to provide personnel who may participate in the plan.

Parents are expected to provide copies of all assessment information to schools in order that an appropriate student intervention plan can be written. If an assessment has not taken place, the school may require that an assessment is necessary to determine the student's strengths and weaknesses. This assessment can be done by a local ISD at no charge to the parents. Contact your administrator for information.

In some cases it may become evident the severity of the learning or behavioral disability/ difference exceeds the level of accommodations the school may be able to offer the student. The question of what will best benefit the student's success may indicate that a different educational placement be necessary. This decision will be based on knowledge of the resources of the school and the severity of the problem. In all cases, the decision will be based on Christian compassion.

Students in all schools in the Diocese of Beaumont are on probation until all school and immunization records have been received.

Accommodations will be made for students with diagnosed learning disabilities. Paperwork must be on file. Accommodations must be reasonable and within the ability and time range of the teacher. Report cards will reflect whether or not accommodations are being made. Modifications will not be made.

Parent Conferences/Visits

Two formal Parent/teacher/student conferences are held each year in October and March. **Student attendance with parents is required as this is counted as a school day.**

Teachers are most happy to consult with parents concerning their children, but may not do so during class time. The teachers are responsible for supervising the entire class of students; stopping them to consult distracts them from this important duty.

Appointments should be made through the school office or with the teacher and will normally be scheduled during a teacher's planning period or before or after school. Parents are requested not to call teachers at home unless a true emergency exists.

Parents and visitors should refrain from standing in the hallways outside the classroom doors. You may wait in the sitting area near the office for dismissal of students.

Academic Probation

A student whose academic performance at reporting intervals indicates failing grades or conduct that needs improvement may be placed on academic probation and participation in extra-curricular activities will be denied. If by the next reporting interval, the student shows insufficient improvement, the administration reserves the right to have the student's participation in extra-curricular activities denied until expected next reporting period. Students who remain on academic probation for more than two grading periods may be asked to withdraw from St. Anthony Cathedral Basilica School.

Testing Program

The Iowa Test of Basic Skills (ITBS) standardized test is administered in the spring. Results will be shared with parents at the spring report card conference if available.

Promotion Policy and Retention Policy

Advancement to the next level in St. Anthony Cathedral Basilica School is based on a student's daily performance, test results, recommendations of teachers, and his/her ability to complete work successfully on a more advanced level. Promotion to the next grade level depends on successful completion of all subject areas. In the elementary grades, the student shall attain an overall average of 70 or above, which is derived by averaging the final numerical grade in language arts and mathematics. In the middle grades, to be promoted, the student shall attain an average of 70 or above in five of the following subjects: religion, English, reading, mathematics, social studies, and science. After conferencing with parents, the principal and teachers make a final decision and the teacher will then inform the parents, within the last nine-week grading period, of the retention of the student. Summer school or tutoring may be recommended in lieu of retention. SACBS strives to enable each student to achieve his/her maximum potential. Retention of a student at any grade level is always done in the best interest of the student.

Student Records

SACBS abides by the provisions of the Buckley Amendment (Family Education Rights and Privacy Act) regarding access to student records and the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to academic records. If access is denied by the court order, it is the custodial parent's responsibility to provide the school with an official copy of the order. Additionally, parent requests to view records must be made in writing.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g; 32 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specifies officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, “directory” information such as a student’s name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Verbal permission **cannot** be accepted. **Permission slips are due in the office 48 hours after receipt of the slip.**

**DIOCESE OF BEAUMONT
OFFICE OF CATHOLIC SCHOOLS**

**TRANSPORTATION
FIELD TRIPS/ATHLETIC & ACADEMIC EVENTS**

Transportation Policy Notes:

Rationale:

Research indicates that the safest mode of transportation is the school bus. For trips over 100 miles, comfort becomes a factor. Stewardship and availability of resources may necessitate the use of private or rented vehicles for sporting events or small groups of students traveling to both academic and athletic competitions.

- For trips with groups of 15 or more traveling over 100 miles, a charter bus may be used.
- For large groups of 15 or more, school buses will be used.

Athletic Program

As members of the Diocese of Beaumont Sports League (DBSL), all players and spectators should strive to earn the respect and appreciation of teammates, opponents, officials, coaches and other spectators by the manner in which they participate. Students are to respect the campus of the other team. Signs and posters used for athletic events must reflect good sportsmanship and must be approved by the cheerleading sponsor. Students, parents, and staff are to refrain from any negative and inappropriate behavior. They are to respect the opposing team and officials. The above rules apply to all activities on the St. Anthony campus as well. Students in athletic programs are required to have a current physical exam on file before they may participate. Failure to have a current physical exam on file will restrict the student from participating.

In order to attend sporting events in which the student wishes to participate, a permission slip (supplied by the athletic director) must be signed by the parent or guardian and returned to the athletic director. This will be required for each sport in which a student participates. The coaches of each team will furnish more detailed information concerning criteria and DBSL guidelines for participating in the SACBS sports program. Inter-Parochial League sports are open to Grades 5th - 8th. Boys may participate in basketball, soccer, golf, and track. Football is open to boys in the 7th and 8th grades at St. Anne Catholic School. Girls may participate in volleyball, basketball, track, softball, golf, and soccer. Cheerleading is open to 6th, 7th and 8th grade girls. Students participating in sports and Cheerleading must maintain a 75 grade point average in each subject. Eligibility is determined by progress reports and report cards. Reinstatement is determined by progress reports and report cards. A SATISFACTORY or better grade must be maintained in

conduct. Any major infraction of a school rule may cause a student to be ELIMINATED FROM THE ATHLETIC/CHEERLEADING PROGRAM. **Students absent for part of a day or a whole day will not be eligible to participate in a sport activity that afternoon or evening. Students with diagnosed learning disabilities may be exceptions to the academic grading standards if the degree of effort and conduct are satisfactory.**

An End of the Year Awards Ceremony is held on the last day of the school year.

VI. GENERAL INFORMATION

Attendance

School attendance is mandatory. **A student must be in attendance for six hours in order to be considered present for a full day and three hours for one-half day.** This excludes lunch. Absences that require the Principal's approval must be presented in writing at least one week in advance of the proposed absence.

A signed, dated, written request from the parent or guardian is required for a student to leave school before the time of dismissal. Include the time and reason for leaving. **Parents must sign students out. If the child returns the same day, parents must sign students in.**

No student is allowed off-campus at any time between the time he/she is dropped off and the time he/she is picked up.

Parents must notify the school in writing if the child is to return home by any means other than the parent or carpool persons.

When a student is absent, the parent should report the absence to the school by 9:30am.

Excused absences include, but are not limited to, illness, accidents, family emergencies, natural disasters, and death in the family.

Unexcused absences include, but are not limited to, vacations, baby-sitting, and truancy. Teachers are not required to give make-up work for unexcused absences.

A written statement giving reasons for the absence must be brought to the teacher upon the student's return. Missed assignments are the student's responsibility. Students should take advantage of Parent Portal services and tutorials for getting missed assignments. Arrangements for making up missed tests, because of excused absences, are to be made with individual teachers. Time in which make-up work is to be turned in shall equal the number of days absent.

Dear Parent or Guardian:

This letter will clarify the policy of this school regarding absence from regular classes for the purpose of a family vacation.

School personnel do not have the legal authority to give students permission to be absent during school hours for the purpose of taking vacations during the school year. This is a decision that can only be made by a parent/guardian.

It is the policy of this school that students who take vacations during school hours do so with the full understanding that they are responsible for the course work covered during their absence. Since part of a student's evaluation may include daily contribution and mini-tests, absence from school has a direct effect upon this learning and its subsequent evaluation. Due to the nature of some course work, it is not possible to "make up" the material; students will receive their assignments when they return. We are concerned that vacations during class time will affect your son's/daughter's progress.

Please complete the information below and sign the form. Your child is to discuss the upcoming absence with each subject teacher and find out if any steps can be taken to minimize the effect of the absence. After each teacher has initialed this form, the teacher should file in his/her own files.

Sincerely,

Felicia Runnels
Principal

Teacher: Please record your awareness of this absence by initialing the appropriate space.

Courtesy

Appropriate, respectful and positive behavior is expected from all students at all times and in all places. Respect for teachers and all adults on campus is a priority at St. Anthony Cathedral Basilica School.

Conduct

The philosophy of St. Anthony Cathedral Basilica School emphasizes respect for the human dignity and uniqueness of every individual. All students are expected to cooperate with the spirit and policies of the school. This requires courtesy in all personal relationships, and promptness in fulfilling obligations. The Principal reserves the right to determine the appropriateness of an action if any doubt arises.

- Students may not bring electronics **OF ANY KIND** to school without special permission from the teacher.

EXCEPTION: Middle School students may bring a permanently labeled E-Reader for reading only. It may have no capabilities other than reading. Cheating will not be tolerated and may result in suspension.

Detention

Detention may be issued for a breach of classroom and /or school rules. **Any staff member of St. Anthony Cathedral Basilica School can issue a detention.** Students may be detained after school for disobedience, failure to complete required assignments, or failure to comply with school policy. Students may be kept for a maximum of **15 minutes any day**, without previous notification. When a longer detention period is required, students are notified in writing of their detention, and it is their responsibility to notify their parents. Detention is usually held on Friday afternoon from 3:00 to 3:45 p.m. Students are to be picked up promptly at 3:45 p.m. or they will be sent to aftercare where the usual charges will apply.

Suspension

In-School suspension is disciplinary action that removes the student from the classroom environment while allowing him/her to continue to work at school in an alternate setting. Students may not participate in extra-curricular activities. The Quiet Room is used for in-school suspension. **Because a substitute must be hired, parents will be responsible for the substitute pay of \$60.00**

Out of school suspension is a temporary classification of a student, which prevents the student from attending classes and participating in extracurricular activities. Students may be suspended for one to five days at home at the discretion of the Principal.

Behaviors at school or at school functions that may warrant suspension include but are not limited to:

1. Skipping school for all or part of the day

Expulsion

Expulsion of a pupil from a Catholic school is an extremely serious matter. **Possession of any type of weapon will warrant expulsion.** The incident will be turned over to the appropriate local police and legal authorities. **Students may be expelled from SACBS for use or possession of drugs, tobacco, and/or alcohol in any form.** Students will be placed on unlimited days of suspension as the incident is being investigated. An investigation by appropriate authorities (professionals, i.e., counselors, teachers, police officers, and physicians) will be conducted. The St. Anthony Cathedral Basilica School administration or staff will not be required to make accommodations for the student's academic needs upon expulsion. Reinstatement, if deemed in the best interest of all parties, may be considered for a probationary

period of time. The decision to fully reinstate the student will be considered after all professionals involved see fit to recommend the reinstatement. The administration and superintendent will make the final decision.

Students threatening and/or carrying out assault of any kind against oneself, faculty, or other students will be placed on unlimited days of suspension as the incident is being investigated by school officials and professionals, i.e., counselors, CPS, teachers, police officers, and/or physicians. In cases of assault, both the accused and victim may be removed until the investigation is complete. St. Anthony Cathedral Basilica School will provide commendations for the student's academic needs until the investigation is complete and a final decision is made. Reinstatement, if deemed in the best interest of all parties, will be considered for a probationary period of time. A decision to fully reinstate the student will be considered only after all professionals involved see fit to recommend the reinstatement.

The campus administrator will make the final decision. If, after consultation and communication with appropriate professionals, i.e., superintendent, counselors, teachers, police officers, physicians, the administration deem it in the best interest of the child and welfare of all students/faculty that the student under investigation is permanently removed, then the pupil will be expelled from St. Anthony Cathedral Basilica School. The student's permanent record will be documented as such.

When means of discipline have failed for **repeated offenses**; the parents have not taken sufficient measures, and improved conduct is not evident, when the pupil is a moral or physical threat to the spiritual and/or academic welfare and progress of other pupils; expulsion may be used.

Under normal circumstances, a student will not be deprived of a Catholic education at St. Anthony Cathedral Basilica School on grounds relating to the attitude or behavior of parents or guardians. A situation could arise in which the uncooperative and disruptive attitude or behavior of a parent/guardian might so diminish the effectiveness of the school that the continuation of the student's enrollment could be deemed untenable. In such a situation, at the discretion of the principal, the student may be expelled.

SACBS adheres to the Texas reporting requirements as outlined in Chapter 37 of the Texas Education Code.

The expulsion of a student will constitute forfeiture of all tuition and fees.

Destruction of School Property

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. **Textbooks rented by the student must be properly covered.** No writing in rented textbooks is permitted. The student will pay a fine or replacement fee for damaged or lost texts.

Off - Campus Misconduct

1. **Application of disciplinary code to off-campus misconduct.** The Student Disciplinary Code and all penalties shall apply to conduct off school grounds if the misconduct endangers the health or safety of any student within the school and adversely affect the educative process.
2. **Examples of off-campus misconduct subject to discipline.** Examples of such conduct include, but are not limited to: illegal activity, threats of violence, alcohol use, fighting, hazing, drug possession or sales, firearm possession, violent offenses, robbery, burglary, arson, and sexual assaults.
3. **Full-range of disciplinary penalties.** Students may be subject to the full range of disciplinary penalties for off-campus misconduct, including, but not limited to: suspensions, expulsions, detentions, as well as removal from participation in extracurricular activities, such as interscholastic sports teams, club sports, student government positions, class trips, and graduation ceremonies.

Reconciliation Procedure

Our intentions are always to serve the families of SACBS and the Church, keeping the best interest of each student a priority. However, disagreements may occur. In that case, we will implement a process that is based on the teachings of Our Lord in St. Matthew's Gospel, 18:15-17:

"If your brother sins against you, go and tell him his fault between you and him alone. If he listens to you, you have won over your brother. If he does not listen, take one or two others along with you, so that every fact may be established on the testimony of two or three witnesses. If he refuses to listen to them, tell the Church."

The steps for reconciliation are as follows:

Informal Level:

Before presenting a concern or complaint to the larger community the individual(s) presenting the issue shall meet with the person who is the subject of the complaint and discuss the issue(s). If the Complainant is not satisfied with the outcome of the conference, the process will proceed to Level One.

Level One:

If the member of the school community is not satisfied with the outcome of the conference at the Informal Level, the person bringing the complaint, as well as the one to whom the complaint is addressed, shall present, in writing, to the Principal their understanding of the situation, within 5 working days from the initial meeting at the Informal Level. If the complaint falls within the jurisdiction of the school (event happened on school grounds, at a school event or school sponsored event) the principal will ask the other party to present in writing their understanding of the event.

Level Two:

The Principal, after reviewing the written statements, will meet together with the parties involved within 5 working days after receiving the grievance to seek a solution.

Level Three:

If no solution is reached at Level Two, either party may submit their written grievance to the Beaumont Diocesan Superintendent of Schools at:

Superintendent, Diocese of Beaumont
P.O. Box 3489
Beaumont, Texas 77704

Level Four:

If the person(s) still feel justice has not been achieved the individuals(s) may deliver their written grievance to the Bishop of the Diocese of Beaumont who will make the final judgment.

VIII. STUDENT SAFETY

SCHOOL SONG:

FIRM IN GOD

BY L.A. BALDWIN

Oh my face keeps changing (from year to year).
And my mind keeps growing (from all I hear).
I'm a work in progress; I'm nothing less than a beautiful
Creation of god

Chorus: in spite of all we've been through,
We're still standing (yeah), we're still standing (tall)...
We're still standing (yeah), we're still standing (proud)...
We're still standing (yeah), we're still standing (firm in god)...
Here at St. Anthony School.
We're still standing (yeah), we're still standing (tall)...
We're still standing (yeah), we're still standing (proud)...
We're still standing (yeah), we're still standing (firm in god)...
Here at St. Anthony.

See my friends, I cherish (everyone).
And my teachers help me (get the work done).
At home my family challenges me to be the very best that I can.

SPIRIT CHEER

BULLDOGS, LET ME HEAR YOUR BATTLE CRY...

V * I * C * T * O * R * Y

THAT'S OUR BULLDOG BATTLE CRY!

S.A.C.B.S. PRAYERS

Morning Offering for Children

My dear Father, I offer you this day all my prayers, works, joys, and sufferings in union with Jesus in the Holy Sacrifice of the Mass throughout the world, in the Holy Spirit.

I unite with our Mother Mary, all the angels and saints, and all the souls in purgatory to pray to the Father for myself, for each member of my family, for my friends, for all people throughout the world, for all the souls in purgatory, and for all other intention of the Sacred Heart.

I love You, Jesus, and I give You my heart. I love you, Mary, and I give you my heart.

Prayer to St. Michael

St. Michael the Archangel, defend us in the day of battle; be our safeguard against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do Thou, O Prince of the Heavenly Host, by the power of God, cast into Hell, Satan and all the other evil spirits, who prowl through the world, seeking the ruin of souls.

Prayer to St. Anthony

O' Holy St. Anthony, Gentlest of Saints, your love for God and charity for His creatures, made you worthy when on earth to possess miraculous powers. Miracles waited on your word, which you were ever ready to speak for those in trouble or anxiety. Encouraged by this thought, I implore of you to obtain for me my request...

The answer to my prayer may require a miracle; even so, you are the Saint of miracles. O' Gentle and Loving St. Anthony, whose heart was ever full of human sympathy, whisper my petition into the ears of the Sweet Infant Jesus, who loved to be folded in your arms, and the gratitude of my heart will ever be yours.

The Memorare

Remember,
O most gracious Virgin Mary,
that never was it known that anyone who
fled to your protection,
implored your help
or sought your intercession
was left unaided.
Inspired with this confidence,
(continued)
I fly unto you,

O Virgin of virgins, my Mother.
To you do I come,
before you I kneel,
sinful and sorrowful.
O Mother of the Word Incarnate,
despise not my petitions,
but in your clemency hear and answer them.

Our Father

**Our Father, who art in
heaven, Hallowed be thy
name;
Thy kingdom come;
Thy will be done on earth
As it is in heaven.
Give us this day our daily bread;
And forgive us our trespasses As
we forgive those Who trespass
against us;
And lead us not into temptation,
But deliver us from evil.**

Hail Mary

Hail Mary, full of grace, The Lord is
with you;
Blessed are you among women, And
blessed is the fruit Of your womb, Jesus.
Holy Mary, Mother of God, Pray for us
sinners now And at the hour of our death.

Act of Contrition

My God,
I am sorry for my sins with all my heart.
In choosing to wrong,
And failing to do good,
I have sinned against you,
Whom I should love above all things.
I firmly intend, with your help,
To do penance, to sin no more,
And to avoid whatever leads me to sin.
Our Savior Jesus
Suffered and died for us.
In his name, my God, have mercy.
