Over 120 Years of Excellence in Catholic Education

Dear St. Anthony Parents and Guardians,

Welcome back to St. Anthony Cathedral Basilica School for the 2018-19 school year! I pray that your summer vacation gave you the opportunity to spend quality family time together. Our first day of school is Monday, August 13, 2018. Official enrollment figures will be recorded and reported to the Diocesan Office. It is extremely important for students to be in attendance. We have titled this day "Kindness is walking in the steps of Jesus". Let us all focus on how we can be kind to others, as Jesus is to us.

Please find important dates and times below:
